

BLOOMING NOW

CAN YOU FIND THEM...WILDFLOWER CHALLENGE

April 2022 last updated 4/12/22

Jack London State Historic Park

- The dry conditions are affecting the wildflowers longevity but new flowers are showing up on schedule. The iris are prime throughout the park. Don't wait!
- You will find that April wildflowers are easier to find as you hike the trails, although, they are not always easy to see but there if you look.
- Take the challenge with your family and friends...how many can you find?

NOTE: Images are sorted by first dated recorded.

April wildflower spotters: Barbara Lee

Finished blooming 3-22

Name: Pacific Hounds Tongue
Adelinia grande
Family: Boraginaceae
Genus: Cynoglossum
Native/Recorded 1/30/22
Location: Throughout the park

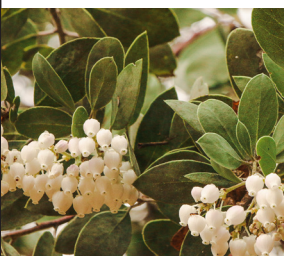

Finished blooming 3-22

Name: Milk Maids
Cardamine californica
Family: Brassicaceae (Cruciferae)
Genus: Cardamine
Native/Recorded 1/30/22
Location: Wolf House Trail and throughout the park

Finished blooming 3-22

Name: Warrior's Plume/Indian Warrior
Pedicularis densiflora
Family: Orobanchaceae
Genus: Pedicularis
Native/1/30/22
Location: Wolf House trail, path-way leading to museum, New Fallen Bridge, Lake trail

Finished blooming 3-22

Name: Manzanita
Arctostaphylos manzanita
Family: Ericaceae
Genus: Arctostaphylos
Native/Recorded 1/30/22
Location: Wolf House trail and entry to museum parking lot

Finished blooming 3-22

Name: Mosquito bill or Henderson's Shooting Star

Primula hendersonii
Family: Primulaceae
Genus: Primula
Native/Recorded 2/6/22
Location: Wolf House trail, Upper Fallen Bridge, Sonoma Ridge tr

Finished blooming 3-22

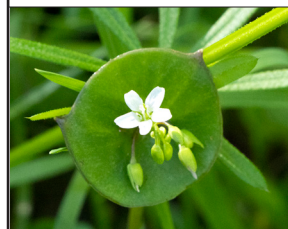

Name: Checker Lily

Fritillaria affinis
Family: Liliaceae
Genus: Fritillaria
Native/Recorded 2/6/22
Location: Blooming now on the Wolf House trail and throughout the park.

Name: Western Buttercup

Ranunculus occidentalis
Family: Ranunculaceae
Genus: Ranunculus
Native/Recorded 2/6/22
Location: Wolf House trail, Beauty Ranch, Sonoma Ridge tr

Finished blooming 4-3

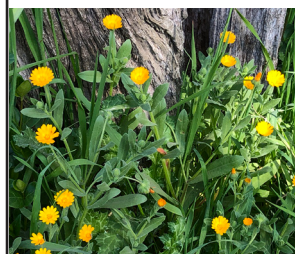

Name: Miner's Lettuce

Claytonia parviflora
Family: Montiaceae
Genus: Claytonia
Native/Recorded 2/9/22
Location: Throughout park

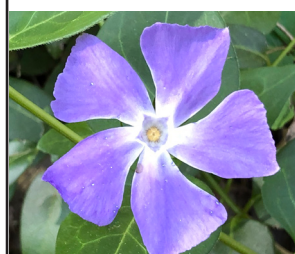

Name: Dutchmans Pipevine
 Aristolochia californica
 Family: Aristolochiaceae
 Genus: Aristolochia
 Native/Recorded 2/9/22
 Location: trailhead at Lake trail
 & service road. Just spotted on
 Wolf House trail

Finished blooming 3-22

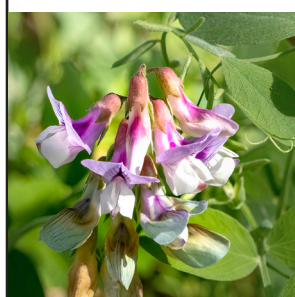

Name: Field Marigold
 Calendula arvensis
 Family: Asteraceae
 Genus: Calendula
 Invasive NonNative/Recorded
 2/9/22
 Location: Beauty Ranch

Finished blooming 3-22

Name: Vinca
 Vinca minor
 Family: Apocynaceae
 Genus: Vinca
 NonNative/Recorded 2/9/22
 Location: Wolf House trail,
 Beauty Ranch

Finished blooming 3-22

Name: Common Pacific Pea
 Lathyrus vestitus
 Family: Fabaceae
 Genus: Lathyrus
 Native/Recorded 2/14/22
 Location: Throughout park
Finished blooming 4-3

Name: Coast Sanicle
 Sanicula laciniata
 Family: Apiaceae
 Genus: Sanicula
 Native/Recorded 2/23/22
 Location: Wolf House Trail, Lake
 fire road
Finished blooming 4-3

**Name: Solomon's Plume
 (starting)**
 Maianthemum racemosum
 Family: Ruscaceae
 Genus: Maianthemum
 Native/Recorded 2/23/22
 Location: New Fallen Bridge

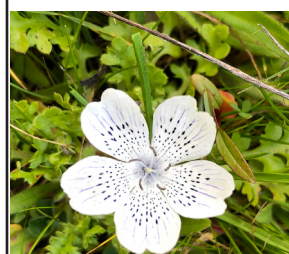

Name: Western Trillium
 Trillium ovatum
 Family: Melanthiaceae
 Genus: Trillium
 Native/Recorded 2/9/22
 Location: Lake trail

Finished blooming 3-22

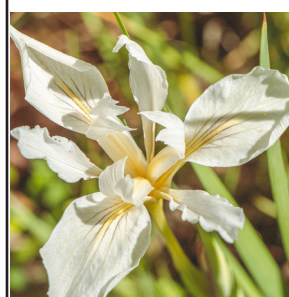

Name: Bermuda buttercup
 Oxalis pes-caprae
 Family: Oxalidaceae
 Genus: Oxalis
 InvasiveNonNative/Recorded
 2/9/22
 Location: Beauty Ranch

Finished blooming 3-22

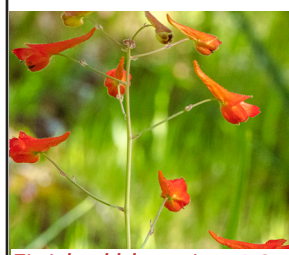

Name: White Baby Blue Eyes
 Nemophila menziesii var
 atomaria
 Family: Boraginaceae
 Genus: Nemophila
 Native/Recorded 2/9/22
 Location: Wolf House trail, Upper
 Fallen Bridge trail

Finished blooming 4-9

Name: Fernald's Iris (starting)
 Iris Fernaldii
 Family: Iridaceae
 Genus: Iris
 Native/Recorded 2/18/22
 Location: Throughout park

Name: Red Larkspur
 Delphinium nudicaule
 Family: Ranunculaceae
 Genus: Delphinium
 Native/Recorded 2/23/22
 Location: Wolf House trail,
 Sonoma Ridge trail, Cowan
 Meadow, Hayfields grasslands

Finished blooming 4-3

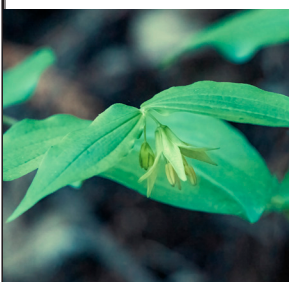

Name: Blue Dicks
 Dipterostemon capitatus
 Family: Themidaceae
 Genus: Dipterostemon
 Native/Recorded 2/23/22
 Location: Old Fallen Bridge,
 Cowan Meadow

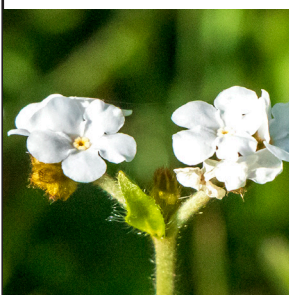

Name: California Lomatium
 Lomatium californicum
 Family: Apiaceae
 Genus: Lomatium
 Native/Recorded 3/9/22
 Location: Wolfe House Service
 Road and near gravesite
Finished blooming 4-3

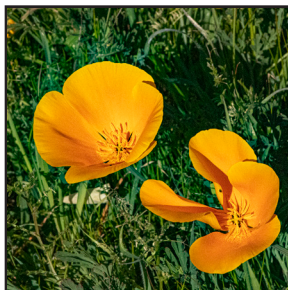

The bloom in The Historic Orchard started February 28th and is fading fast. To learn more about our ongoing Historic Orchard Restoration project. Learn more at our presentation and hike. Sign up at <https://jacklondonpark.com/events/orchard-restoration-spring/>

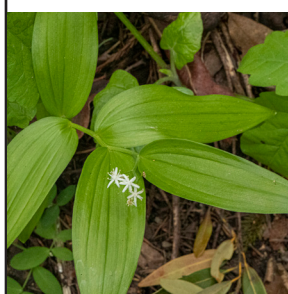

Name: Hooker's Fairbell
 Prosartes hookeri
 Family: Liliaceae
 Genus: Prosartes
 Native/Recorded 3/13/22
 Location: Mountain trail, New
 Fallen Bridge

Name: Popcorn Flower
 Plagiobothrys nothofulvus
 Family: Boraginaceae
 Genus: Plagiobothrys
 Native/Recorded 3/13/22
 Location: Mays Clearing

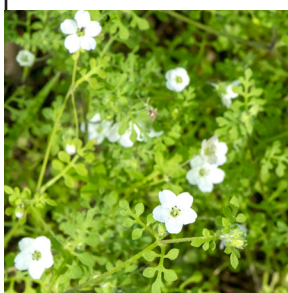

Name: California Poppy
 Eschscholzia californica
 Family: Papaveraceae
 Genus: Eschscholzia
 Native/Recorded 2/28/22
 Location: Orchard area

Name: Starry false lily of the valley
 Maianthemum stellatum
 Family: Ruscaceae
 Genus: Maianthemum
 Native/Recorded 3/5/22
 Location: Lake trail, New Fallen
 Bridge

Name: Miniature lupine
 Family: Fabaceae
 Genus: Lupinus
 Native/Recorded 3/9/22
 Location: Wolf House trail,
 Mays Clearing, Olf Fallen Bridge
 Trail

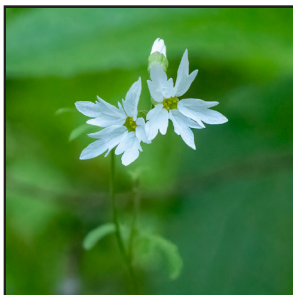

Name: White Nemophila
 Nemophila heterophylla
 Family: Boraginaceae
 Genus: Nemophila
 Native/Recorded 3/9/22
 Location: Wolf House trail and
 throughout the park
Finished blooming 4-3

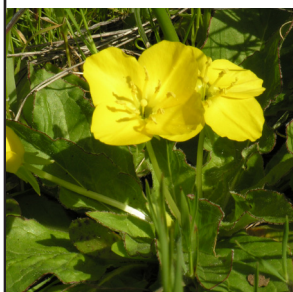

Name: California Helianthella
 Helianthella californica
 Family: Asteraceae
 Genus: Helianthella
 Native/Recorded 3/11/22
 Location: Wolf House trail,
 gravesite area
Finished blooming 4-3

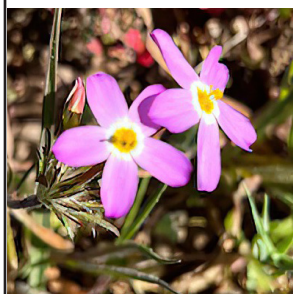

Name: Sky Lupine
 Lupinus nanus
 Family: Fabaceae
 Genus: Lupinus
 Native/Recorded 3/13/22
 Location: Lake/Mountain Trail,
 East Slope Sonoma Mountain
 Ridge Trail

Name: Hillside Woodland Star
 Lithophragma heterophyllum
 Family: Saxifragaceae
 Genus: Lithophragma
 Native/Recorded 3/14/22
 Location: Mountain Trail

Name: Sun Cup
 Taraxia ovata
 Family: Onagraceae
 Genus: Taraxia
 Native/Recorded 3/14/22
 Location: Mays Clearing, Wof House Trail

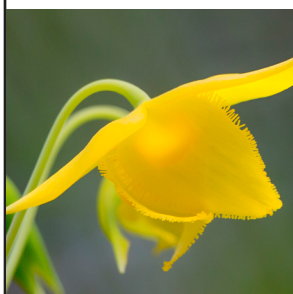

Name: True Baby Stars
 Leptosiphon bicolor
 Family: Polemoniaceae
 Genus: Leptosiphon
 Native/Recorded 3/12/22
 Location: Sonoma Ridge Trail
 Photo: Nancy MacDonald

Name: Valley Tassels
 Castilleja attenuata
 Family: Orobanchaceae
 Genus: Castilleja
 Native/Recorded 3/26/22
 Location: Wolf House trail
Finished blooming 4-3

Name: Blue Eyed Grass
 Sisyrinchium bellum
 Family: Iridaceae
 Genus: Sisyrinchium
 Native/Recorded 4/1/22
 Location: Hayfields Trail and throughout park

Name: Diogenes Lantern
 Calochortus amabilis
 Family: Liliaceae
 Genus: Calochortus
 Native/Recorded 4/9/22
 Location: Wolf House Trail, Orchard area

Name: California Saxifrage
 Micranthes californica
 Family: Saxifragaceae
 Genus: Micranthes
 Native/Recorded 3/14/22
 Location: Sonoma Ridge Trail

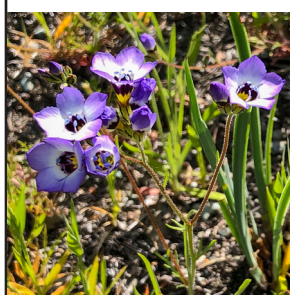

Name: California Manroot
 Marah fabacea
 Family: Cucurbitaceae
 Genus: Marah
 Native/Recorded 3/12/22
 Location: Wolf House service road, Sonoma Ridge Trail
Finished blooming 4-3

Name: Common Fiddleneck
 Amsinckia menziesii
 Family: Boraginaceae
 Genus: Amsinckia
 Native/Recorded 3/19/22
 Location: Beauty Ranch near parking lot

Name: Poison Oak
 Toxicodendron diversilobum
 Family: Anacardiaceae
 Genus: Toxicodendron
 Native/Recorded 3/26/22
 Location: Throughout the park

Name: Bird's Eye Gilia
 Gilia tricolor
 Family: Polemoniaceae
 Genus: Gilia
 Native/Recorded 4/1/22
 Location: Hayfields Trail

Name: Chinese Houses
 Collinsia heterophylla
 Family: Plantaginaceae
 Genus: Collinsia
 Native/Recorded 4/9/22
 Location: Wolf House Trail

Name: Hedge nettle
Stachys ajugoides
 Family: Lamiaceae
 Genus: Stachys
 Native/Recorded 4/9/22
 Location: Throughout park

Name: Mules Ears
 Family: Asteraceae
 Genus: Wyethia
 Native/Recorded 4/9/22
 Location: Mays Clearing, Wolf House Trail, Orchard area

Name: Western Thimbleberry
Rubus parviflorus
 Family: Rosaceae
 Genus: Rubus
 Native/Recorded 4/12/22
 Location: New Fallen Bridge Trail

Name: Common yarrow
Achillea millefolium
 Family: Asteraceae
 Genus: Achillea
 Native/Recorded 4/12/22
 Location: Mays Clearing

Name: Pacific starflower
Lysimachia latifolia
 Family: Myrsinaceae
 Genus: Lysimachia
 Native/Recorded 4/12/22
 Location: Lake Trail, Upper Fallen Bridge Trail

Name: Cowbag Clover
Trifolium depauperatum
 Family: Fabaceae
 Genus: Trifolium
 Native/Recorded 4/12/22
 Location: Wolf House trail

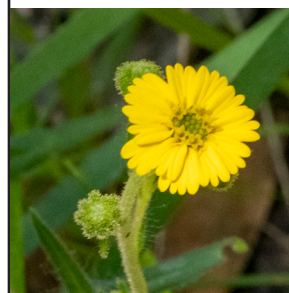

Name: Big leaf maple
Acer macrophyllum
 Family: Sapindaceae
 Genus: Acer
 Native/Recorded 4/12/22
 Location: Lake service road and throughout park

Name: California goldenbanner
Thermopsis californica
 Family: Fabaceae
 Genus: Thermopsis
 Native/Recorded 4/12/22
 Location: Mays Clearing

Name: Purple sanicle
Sanicula bipinnatifida
 Family: Apiaceae
 Genus: Sanicula
 Native/Recorded 4/9/22
 Location: Wolf House trail

Name: Woodland Madia
Anisocarpus madioides
 Family: Asteraceae
 Genus: Anisocarpus
 Native/Recorded 4/12/22
 Location: New Fallen Bridge
