## Jack London Park 2024 "Blooming Now" Wildflower Guide

Last Updated March 23, 2024

The wildflower season continues to unfold. As you walk the trails, take time to observe the blooming wildflowers. They are not always easy to see but they are there if you look carefully.

Take the challenge with your family and friends...

- Can you find the wildflowers currently shown on this handout?

Become a wildflower spotter and help keep the guide up to date.

Email your images (no ID necessary) and name of the Jack London Park trail to

**March-wildflower spotters:** Elisa Stancil Levine, Chuck Levine, Ciara Pegg, Sharon Dankworth, Laura Blatt and Kathy Hillback

**Name: Pacific Hounds Tongue**  
*Adelinia grande*  
Family: Boraginaceae  
Genus: *Adelinia*  
Native/Recorded 1/10/2024  
Location: Throughout the park

**Name: Common Pacific Pea**  
*Lathyrus vestitus*  
Family: Fabaceae  
Genus: *Lathyrus*  
Native/Recorded 1/26/2024  
Location: Wolf house service road

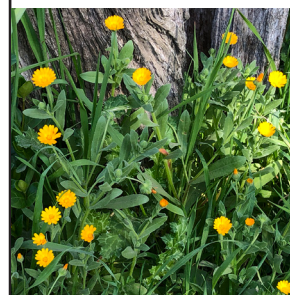

**Name: Milk Maids**  
*Cardamine californica*  
Family: Brassicaceae (Cruciferae)  
Genus: *Cardamine*  
Native/Recorded 12/23/2023  
Location: Throughout the park

**Name: Red Larkspur**  
*Delphinium nudicaule*  
Family: Ranunculaceae  
Genus: *Delphinium*  
Native/Recorded 1/27/2024  
Location: Wolf House trail, Sonoma Ridge trail

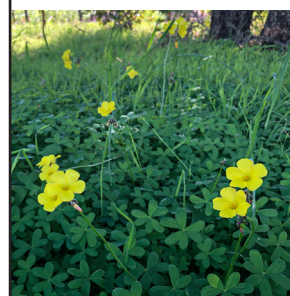

**Warrior's Plume/Indian Warrior**  
*Pedicularis densiflora*  
Family: Orobanchaceae  
Genus: *Pedicularis*  
Native/1/15/24  
Location: Wolf House trail, pathway leading to museum, New Fallen Bridge

**Name: Field Marigold**  
*Calendula arvensis*  
Family: Asteraceae  
Genus: *Calendula*  
**NonNative**  
Location: Beauty Ranch

**Name: Manzanita (shrub)**  
*Arctostaphylos manzanita*  
Family: Ericaceae  
Genus: *Arctostaphylos*  
Native/Recorded 1/15/24  
Location: Wolf House trail finished

**Name: Bermuda buttercup**  
*Oxalis pes-caprae*  
Family: Oxalidaceae  
Genus: *Oxalis*  
**NonNative**  
Location: Beauty Ranch

NOTE: Images are sorted by the first dated recorded.

**Name: Henderson's Shooting Star or Mosquito bill**  
*Primula hendersonii*  
 Family: Primulaceae  
 Genus: *Primula*  
 Native/Recorded 2/5/24  
 Location: Wolf House trail

**Name: Coast Sanicle**  
*Sanicula laciniata*  
 Family: Apiaceae  
 Genus: *Sanicula*  
 Native/Recorded 2/5/24  
 Location: Throughout park

**Name: Vinca**  
*Vinca minor*  
 Family: Apocynaceae  
 Genus: *Vinca*  
**NonNative**  
 Location: Wolf House trail, Beauty Ranch

**Name: Western Buttercup**  
*Ranunculus occidentalis*  
 Family: Ranunculaceae  
 Genus: *Ranunculus*  
 Native/Recorded 2/10/24  
 Location: Wolf House trail, Lake trail, throughout park

**Name: Checker Lily**  
*Fritillaria affinis*  
 Family: Liliaceae  
 Genus: *Fritillaria*  
 Native/Recorded 2/15/24  
 Location: Wolf House trail, throughout park

**Name: Pacific (Western) Trillium**  
*Trillium ovatum*  
 Family: Melanthiaceae  
 Genus: *Trillium*  
 Native/Recorded 2/15/24  
 Location: Lake trail and New Fallen Bridge **faded**

**Name: Fernald's Iris (starting)**  
*Iris Fernaldii*  
 Family: Iridaceae  
 Genus: *Iris*  
 Native/Recorded 2/16/24  
 Location: Lake Spur trail

**Name: Blue Dicks**  
*Dipterostemon capitatus*  
 Family: Themidaceae  
 Genus: *Dipterostemon*  
 Native/Recorded 2/28/24  
 Location: Old Fallen Bridge and throughout park

**Name: Dutchmans Pipevine**  
*Aristolochia californica*  
 Family: Aristolochiaceae  
 Genus: *Aristolochia*  
 Native/Recorded 2/28/24  
 Location: Lake trail (hard to see)

**Name: Solomon's Plume (starting)**  
*Maianthemum racemosum*  
 Family: Ruscaceae  
 Genus: *Maianthemum*  
 Native/Recorded 2/28/24  
 Location: New Fallen Bridge

**Name: Miner's Lettuce**  
*Claytonia parviflora*  
 Family: Montiaceae  
 Genus: *Claytonia*  
 Native/Recorded 3/7/24  
 Location: Throughout park

**Name: California Lomatium**  
*Lomatium californicum*  
 Family: Apiaceae  
 Genus: *Lomatium*  
 Native/Recorded 3/7/24  
 Location: Wolfe House Service Road and near gravesite

NOTE: Images are sorted by the first dated recorded.

**Name: Popcorn Flower**  
*Plagiobothrys nothofulvus*  
 Family: Boraginaceae  
 Genus: *Plagiobothrys*  
 Native/Recorded 3/7/24  
 Location: Wolf House trail,  
 Mays Clearing

**Name: Starry false lily of the valley**  
*Maianthemum stellatum*  
 Family: Ruscaceae  
 Genus: *Maianthemum*  
 Native/Recorded 3/7/24  
 Location: Lake trail, New Fallen  
 Bridge

**Name: White Baby Blue Eyes**  
*Nemophila menziesii* var  
*atomaria*  
 Family: Hydrophyllaceae  
 Genus: *Nemophila*  
 Native/Recorded 3/7/24  
 Location: Wolf House Trail

**Name: Miniature lupine**  
 Family: Fabaceae  
 Genus: *Lupinus*  
 Native/Recorded 3/16/24  
 Location: Wolf House trail,  
 Mays Clearing, Old Fallen  
 Bridge Trail

**Name: Lupine**  
*Lupinus*  
 Family: Fabaceae  
 Genus: *Lupinus*  
 Native/Recorded 3/16/24  
 Location: Lake/Mountain Trail

**Name: Baby Blue Eyes**  
*Nemophila menziesii*  
 Family: Hydrophyllaceae  
 Genus: *Nemophila*  
 Native/Recorded 3/18/24  
 Location: Upper Fallen Bridge

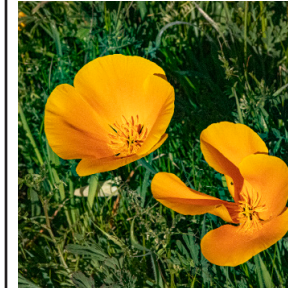

**Name: White Nemophila**  
*Nemophila heterophylla*  
 Family: Boraginaceae  
 Genus: *Nemophila*  
 Native/Recorded 3/19/24  
 Location: Wolf House trail and  
 throughout the park

**Name: (likely) Bowltube Iris**  
*Iris macrosiphon*  
 Family: Iris  
 Genus: *Iridaceae*  
 Native/Recorded 3/21/24  
 Location: Wolf House Trail  
 Photo: Ciara Pegg

**Name: Hooker's Fairbell**  
*Prosartes hookeri*  
 Family: Liliaceae  
 Genus: *Prosartes*  
 Native/Recorded 3/24/24  
 Location: Mountain trail

**Name: California Poppy**  
*Eschscholzia californica*  
 Family: Papaveraceae  
 Genus: *Eschscholzia*  
 Native/Recorded 3/24/24  
 Location: Orchard area

NOTE: Images are sorted by the first dated recorded.
