Jack London Park 2023 "Blooming Now" Wildflower Guide

Last Updated August 13, 2023

We are coming to the end of the wildflower season but lingering blooms can still be found along the trails. What a year it has been starting with the unprecedented Winter rains and ending with the brutal August temperatures, throughout it all our wildflowers continue to bloom. Join us next year as the cycle starts again.

This page will available online through September.

Thanks to the many wildflower spotters for participating to make this page a success for everyone!

See you again in January 2024!

Deborah Large, Community Events Coordinator

Name: Pacific Hounds Tongue
Adelinia grande
 Family: Boraginaceae
 Genus: *Adelinia*
 Native/Recorded 1/10/2023
 Location: Throughout the park

Name: Common Pacific Pea
Lathyrus vestitus
 Family: Fabaceae
 Genus: *Lathyrus*
 Native/Recorded 1/26/2023
 Location: Throughout the park

Name: Milk Maids
Cardamine californica
 Family: Brassicaceae (Cruciferae)
 Genus: *Cardamine*
 Native/Recorded 1/15/2023
 Location: Wolf House Trail and throughout the park

Name: Red Larkspur
Delphinium nudicaule
 Family: Ranunculaceae
 Genus: *Delphinium*
 Native/Recorded 1/27/2023
 Location: Throughout the park

Warrior's Plume/Indian Warrior
Pedicularis densiflora
 Family: Orobanchaceae
 Genus: *Pedicularis*
 Native/1/15/23
 Location: Wolf House trail and service road, pathway leading to museum

Name: Field Marigold
Calendula arvensis
 Family: Asteraceae
 Genus: *Calendula*
NonNative-Invasive
 Location: Beauty Ranch

Name: Manzanita (shrub)
Arctostaphylos manzanita
 Family: Ericaceae
 Genus: *Arctostaphylos*
 Native/Recorded 1/15/23
 Location: Wolf House trail and entry to museum parking lot

Name: Bermuda buttercup
Oxalis pes-caprae
 Family: Oxalidaceae
 Genus: *Oxalis*
NonNative-Invasive
 Location: Beauty Ranch, Wolf House trail

NOTE: Images are sorted by the first dated recorded.

Name: Mosquito bill or Henderson's Shooting Star
Primula hendersonii
 Family: Primulaceae
 Genus: *Primula*
 Native/Recorded 2/15/23
 Location: Throughout park

Name: Pacific (Western) Trillium
Trillium ovatum
 Family: Melanthiaceae
 Genus: *Trillium*
 Native/Recorded 3/7/23
 Location: Lake trail and Vineyard trail.

Name: Checker Lily
Fritillaria affinis
 Family: Liliaceae
 Genus: *Fritillaria*
 Native/Recorded 2/15/23
 Location: Throughout the park Past Prime.

Name: Ajuga hedge nettle
Stachys ajugoides
 Family: Lamiaceae
 Genus: *Stachys*
 Native/Recorded 3/7/23
 Location: At Lake

Name: Miner's Lettuce
Claytonia parviflora
 Family: Montiaceae
 Genus: *Claytonia*
 Native/Recorded 3/16/23
 Location: Throughout park

Name: Western Buttercup
Ranunculus occidentalis
 Family: Ranunculaceae
 Genus: *Ranunculus*
 Native/Recorded 3/16/23
 Location: Wolf House trail, Beauty Ranch, Sonoma Ridge tr

Name: Coast Sanicle
Sanicula laciniata
 Family: Apiaceae
 Genus: *Sanicula*
 Native/Recorded 3/16/23
 Location: Wolf House Trail, Lake fire road

Name: California Lomatium
Lomatium californicum
 Family: Apiaceae
 Genus: *Lomatium*
 Native/Recorded 3/16/23
 Location: Wolfe House Service Road and near gravesite

Name: Popcorn Flower
Plagiobothrys nothofulvus
 Family: Boraginaceae
 Genus: *Plagiobothrys*
 Native/Recorded 3/16/23
 Location: Wolf House trail, Mays Clearing

Name: Miniature lupine
 Family: Fabaceae
 Genus: *Lupinus*
 Native/Recorded 3/16/23
 Location: Wolf House trail, Mays Clearing, Old Fallen Bridge Trail

Name: California Poppy
Eschscholzia californica
 Family: Papaveraceae
 Genus: *Eschscholzia*
 Native/Recorded 3/17/23
 Location: Orchard area, and top of Trap trail

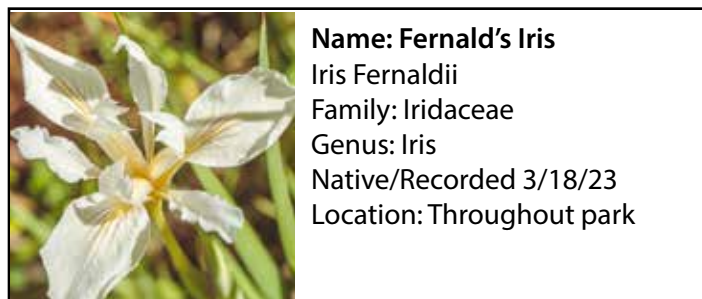

Name: Starry false lily of the valley
Maianthemum stellatum
 Family: Ruscaceae
 Genus: *Maianthemum*
 Native/Recorded 3/23/23
 Location: Lake trail, New Fallen Bridge

NOTE: Images are sorted by the first dated recorded.

Name: Blue Dicks
Dipterostemon capitatus
Family: Themidaceae
Genus: *Dipterostemon*
Native/Recorded 3/23/23
Location: Throughout park and London Ranch Road

Name: Fernald's Iris
Iris Fernaldii
Family: Iridaceae
Genus: *Iris*
Native/Recorded 3/18/23
Location: Throughout park

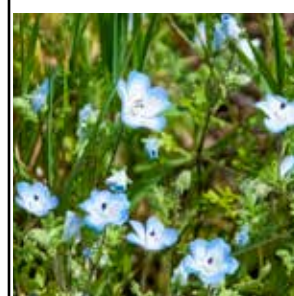

Name: Hooker's Fairbell
Prosartes hookeri
Family: Liliaceae
Genus: *Prosartes*
Native/Recorded 3/23/23
Location: Mountain trail, New Fallen Bridge

Name: Solomon's Plume (starting)
Maianthemum racemosum
Family: Ruscaceae
Genus: *Maianthemum*
Native/Recorded 3/23/23
Location: New Fallen Bridge

Name: White Nemophila
Nemophila heterophylla
Family: Boraginaceae
Genus: *Nemophila*
Native/Recorded 3/23/23
Location: Wolf House trail and throughout the park

Name: Baby Blue Eyes
Nemophila menziesii
Family: Hydrophyllaceae
Genus: *Nemophila*
Native/Recorded 3/23/23
Location: Upper Fallen Bridge

Name: White Baby Blue Eyes
Nemophila menziesii var *atomaria*
Family: Hydrophyllaceae
Genus: *Nemophila*
Native/Recorded 3/23/23
Location: Wolf House Trail

Name: California Saxifrage
Micranthes californica
Family: Saxifragaceae
Genus: *Micranthes*
Native/Recorded 4/10/23
Location: Sonoma Ridge Trail

Name: Cowbag Clover
Trifolium depauperatum
Family: Fabaceae
Genus: *Trifolium*
Native/Recorded 4/14/23
Location: Wolf House trail

Name: Lupine
Lupinus
Family: Fabaceae
Genus: *Lupinus*
Native/Recorded 4/14/23
Location: Lake/Mountain Trail, East Slope Sonoma Mountain Ridge Trail, London Ranch Road

NOTE: Images are sorted by the first dated recorded.

Name: Purple Sanicle
Sanicula bipinnatifida
Family: Apiaceae
Genus: *Sanicula*
Native/Recorded 4/14/23
Location: Wolf House trail

Name: Sun Cup
Taraxia ovata
Family: Onagraceae
Genus: *Taraxia*
Native/Recorded 4/14/23
Location: Mays Clearing, Wolf House Trail

Name: California Helianthella
Helianthella californica
Family: Asteraceae
Genus: *Helianthella*
Native/Recorded 4/18/23
Location: Wolf House trail, gravesite area

Name: Blue Eyed Grass
Sisyrinchium bellum
Family: Iridaceae
Genus: *Sisyrinchium*
Native/Recorded 4/1/22
Location: Hayfields Trail and throughout park

Name: Bird's Eye Gilia
Gilia tricolor
Family: Polemoniaceae
Genus: *Gilia*
Native/Recorded 4/18/23
Location: Hayfields Trail

Name: Diogenes Lantern
Calochortus amabilis
Family: Liliaceae
Genus: *Calochortus*
Native/Recorded 4/25/23
Location: Wolf House Trail, Orchard area

Name: Chinese Houses
Collinsia heterophylla
Family: Plantaginaceae
Genus: *Collinsia*
Native/Recorded 4/25/23
Location: Wolf House Trail and the Sonoma Mountain Ridge trail

Name: Pacific starflower
Lysimachia latifolia
Family: Myrsinaceae
Genus: *Lysimachia*
Native/Recorded 4/25/23
Location: Lake Trail, Upper Fallen Bridge Trail

Name: Woodland Madia
Anisocarpus madioides
Family: Asteraceae
Genus: *Anisocarpus*
Native/Recorded 4/25/23
Location: New Fallen Bridge

Name: Mules Ears
Family: Asteraceae
Genus: *Wyethia*
Native/Recorded 4/25/23
Location: Mays Clearing, Wolf House Trail, Orchard area

Name: Western Thimbleberry
Rubus parviflorus
Family: Rosaceae
Genus: *Rubus*
Native/Recorded 5/2/23
Location: New Fallen Bridge

Name: California goldenbanner
Thermopsis californica
Family: Fabaceae
Genus: *Thermopsis*
Native/Recorded 5/2/23
Location: Mays Clearing

NOTE: Images are sorted by the first dated recorded.

Name: Common yarrow
 Achillea millefolium
 Family: Asteraceae
 Genus: Achillea
 Native/Recorded 5/2/23
 Location: Mays Clearing

Name: California Milkwort
 Polygala californica
 Family: Polygalaceae
 Genus: Polygala
 Native/Recorded 5/2/23
 Location: Throughout park

Name: Pink Honeysuckle
 Lonicera hispidula
 Family: Caprifoliaceae
 Genus: Lonicera
 Native/Recorded 5/2/23
 Location: Throughout park

Name: Phacelia
 Phacelia
 Family: Boraginaceae
 Genus: Phacelia
 Native/Recorded 5/9/23
 Location: Behind Camp Via

Name: Red Ribbons
 Clarkia concinna
 Family: Onagraceae
 Genus: Clarkia
 Native/Recorded 5/9/23
 Location: Orchard Road within the park

Name: Soap Plant
 Chlorogalum pomeridianum
 Family: Agavaceae
 Genus: Chlorogalum
 Native/Recorded 5/9/23
 Location: Throughout park

Name: California buckeye
 Aesculus californica
 Family: Sapindaceae
 Genus: Aesculus
 Native/Recorded 5/9/23
 Location: Throughout park

Name: Fringed checkerbloom
 Sidalcea diploscypha
 Family: Malvaceae
 Genus: Sidalcea
 Native/Recorded 5/16/23
 Location: Wolf House trail

Name: Crimson columbine
 Aquilegia formosa
 Family: Ranunculaceae
 Genus: Aquilegia
 Native/Recorded 5/16/23
 Location: Quarry Trail
 Photographer: Kathy Hillback-Ely

Name: Winecup Clarkia
 Clarkia purpurea
 Family: Onagraceae
 Genus: Clarkia
 Native/Recorded 5/16/23
 Location: Wolf House Trail

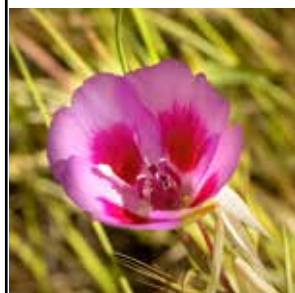

NOTE: Images are sorted by the first dated recorded.

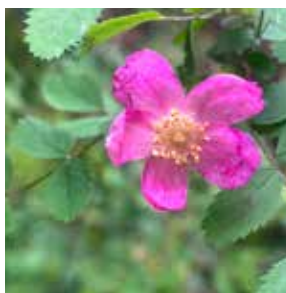

Name: Harvest brodiaea
Brodiaea elegans
Family: Themidaceae
Genus: Brodiaea
Native/Recorded 5/24/23
Location: Wolf House trail

Name: Ithuriel's Spear
Triteleia laxa
Family: Themidaceae
Genus: Triteleia
Native/Recorded 5/24/23
Location: Wolf House Trail,
Throughout park

Name: Farewell to spring
Clarkia amoena
Family: Onagraceae
Genus: Clarkia
Native/Recorded 5/24/23
Location: Wolf House Trail

Name: California Wild Rose
Rosa californica
Family: Rosaceae
Genus: Rosa
Native/Recorded 5/28/23
Location: Throughout park
Photographer: Elisa Stancil

Name: Spiny leaf rose galls
Diplolepis polita
Not a wildflower
Recorded 6/17/23
Location: Lake Trail

Name: Redwood Lily (rare)
Lilium rubescens
Family: Liliaceae
Genus: Lilium
Native/Recorded 6/17/23
Location: New Fallen Bridge

**Name: Phantom Orchid
(very rare in Sonoma County)**
Cephalanthera austiniiae
Family: Orchidaceae
Genus: Cephalanthera
Native/Recorded 6/17/23
Location: Not shown here to
protect the plant.

Name: Redwood Lily (rare)
Lilium rubescens
Family: Liliaceae
Genus: Lilium
Native/Recorded 6/17/23
Location: New Fallen Bridge

**Name: Piperia michaelii and
other species**
Family: Orchidaceae
Genus: Piperia
Native/Recorded 6/2023
Location: Various locations
throughout the park

Name: Broadleaf Helleborine
Epipactis helleborine
Family: Orchidaceae
Genus: Epipactis
Non Native/Recorded 7/1/23
Location: Various locations
throughout the park.

NOTE: Images are sorted by the first dated recorded.

Name: California Indian Pink
Silene laciniata ssp. *californica*
Family: Caryophyllaceae
Genus: *Silene*
Native/Recorded 7/1/23
Location: Trap trail and East Slope Sonoma Mountain Ridge

Name: Elegant Clarkia
Clarkia unguiculata
Family: Onagraceae
Genus: *Clarkia*
Native/Recorded 7/1/23
Location: Trap trail

Name: Orange Bush Monkeyflower (shrub)
Diplacus aurantiacus
Family: Phrymaceae
Genus: *Diplacus*
Native/Recorded 7/1/23
Location: Throughout park

Name: Hayfield Tarweed
Hemizonia congesta
Family: Asteraceae
Genus: *Hemizonia*
Native/Recorded 7/30/23
Location: Throughout park

Name: California spikenard, Elk's Clover
Aralia californica
Family: Araliaceae
Genus: *Aralia*
Native/Recorded 8/11/23
Location: Vineyard trail, Sonoma Ridge Trail, New Fallen Bridge trail

Name: Cardinal (Scarlet) Monkeyflower
Erythranthe cardinalis
Family: Erythranthe (Scrophulariaceae)
Genus: *Phrymaceae*
Native/Recorded 8/13/23
Location: Trap trail

NOTE: Images are sorted by the first dated recorded.
