Jack London Park 2024 "Blooming Now" Wildflower Guide

Last Updated May 24, 2024

A visual treat is waiting for you as you hike the trails with a wide variety of wildflowers, those spanning the season and the newest bloomers. Enhance your hike when you take time to observe the wildflowers. They are easier to see at this time of year, many with larger flowers but also look for the many smaller gems. Can you find the wildflowers currently shown on this handout?

Become a wildflower spotter and help keep the guide up to date.

Email your images (no ID necessary) and name of the Jack London Park trail to

jacklondonpark@jacklondonpark.com

May-wildflower spotters: Elisa Stancil Levine, Ciara Pegg, Laura Blatt and Kathy Hillback

Name: Pacific Hounds Tongue
Adelinia grande
Family: Boraginaceae
Genus: Adelinia
Native/Recorded 1/10/2024
Location: Throughout the park
Finished

Name: Common Pacific Pea
Lathyrus vestitus
Family: Fabaceae
Genus: Lathyrus
Native/Recorded 1/26/2024
Location: Wolf house service road
Finished

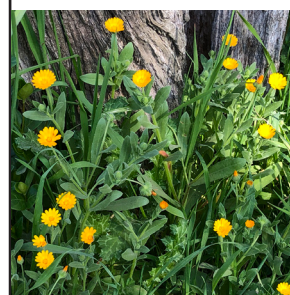

Name: Milk Maids
Cardamine californica
Family: Brassicaceae (Cruciferae)
Genus: Cardamine
Native/Recorded 12/23/2023
Location: Throughout the park
Mainly finished

Name: Red Larkspur
Delphinium nudicaule
Family: Ranunculaceae
Genus: Delphinium
Native/Recorded 1/27/2024
Location: Wolf House trail, Sonoma Ridge trail

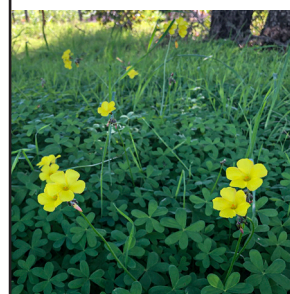

Warrior's Plume/Indian Warrior
Pedicularis densiflora
Family: Orobanchaceae
Genus: Pedicularis
Native/1/15/24
Location: Wolf House trail, pathway leading to museum, New Fallen Bridge
Finished

Name: Field Marigold
Calendula arvensis
Family: Asteraceae
Genus: Calendula
NonNative
Location: Beauty Ranch

Name: Manzanita (shrub)
Arctostaphylos manzanita
Family: Ericaceae
Genus: Arctostaphylos
Native/Recorded 1/15/24
Location: Wolf House trail
Finished

Name: Bermuda buttercup
Oxalis pes-caprae
Family: Oxalidaceae
Genus: Oxalis
NonNative
Location: Beauty Ranch

NOTE: Images are sorted by the first dated recorded.

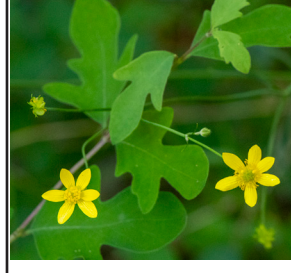

Name: Henderson's Shooting Star or Mosquito bill
Primula hendersonii
 Family: Primulaceae
 Genus: *Primula*
 Native/Recorded 2/5/24
 Location: Wolf House trail
Finished

Name: Coast Sanicle
Sanicula laciniata
 Family: Apiaceae
 Genus: *Sanicula*
 Native/Recorded 2/5/24
 Location: Throughout park

Name: Vinca
Vinca minor
 Family: Apocynaceae
 Genus: *Vinca*
NonNative
 Location: Wolf House trail, Beauty Ranch

Name: Western Buttercup
Ranunculus occidentalis
 Family: Ranunculaceae
 Genus: *Ranunculus*
 Native/Recorded 2/10/24
 Location: Wolf House trail, Lake trail, throughout park

Name: Checker Lily
Fritillaria affinis
 Family: Liliaceae
 Genus: *Fritillaria*
 Native/Recorded 2/15/24
 Location: Wolf House trail, throughout park

Name: Pacific (Western) Trillium
Trillium ovatum
 Family: Melanthiaceae
 Genus: *Trillium*
 Native/Recorded 2/15/24
 Location: Lake trail and New Fallen Bridge **Finished**

Name: Fernald's Iris (starting)
Iris Fernaldii
 Family: Iridaceae
 Genus: *Iris*
 Native/Recorded 2/16/24
 Location: Lake Spur trail

Name: Blue Dicks
Dipterostemon capitatus
 Family: Themidaceae
 Genus: *Dipterostemon*
 Native/Recorded 2/28/24
 Location: Old Fallen Bridge and throughout park

Name: Dutchmans Pipevine
Aristolochia californica
 Family: Aristolochiaceae
 Genus: *Aristolochia*
 Native/Recorded 2/28/24
 Location: Lake trail **Finished**

Name: Solomon's Plume (starting)
Maianthemum racemosum
 Family: Ruscaceae
 Genus: *Maianthemum*
 Native/Recorded 2/28/24
 Location: New Fallen Bridge

Name: Miner's Lettuce
Claytonia parviflora
 Family: Montiaceae
 Genus: *Claytonia*
 Native/Recorded 3/7/24
 Location: Throughout park

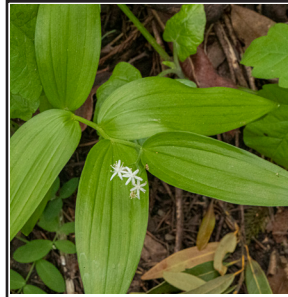

Name: California Lomatium
Lomatium californicum
 Family: Apiaceae
 Genus: *Lomatium*
 Native/Recorded 3/7/24
 Location: Wolfe House Service Road and near gravesite

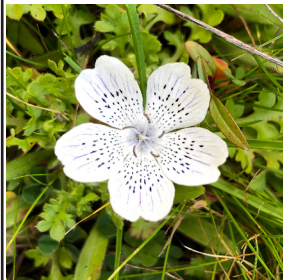

NOTE: Images are sorted by the first dated recorded.

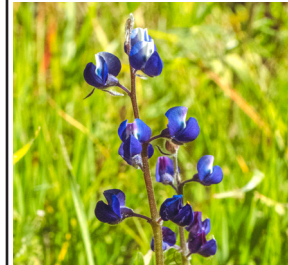

Name: Popcorn Flower
Plagiobothrys nothofulvus
 Family: Boraginaceae
 Genus: *Plagiobothrys*
 Native/Recorded 3/7/24
 Location: Wolf House trail,
 Mays Clearing **Finished**

Name: Starry false lily of the valley
Maianthemum stellatum
 Family: Ruscaceae
 Genus: *Maianthemum*
 Native/Recorded 3/7/24
 Location: Lake trail, New Fallen
 Bridge

Name: White Baby Blue Eyes
Nemophila menziesii var
atomaria
 Family: Hydrophyllaceae
 Genus: *Nemophila*
 Native/Recorded 3/7/24
 Location: Wolf House Trail
Finished

Name: Miniature lupine
 Family: Fabaceae
 Genus: *Lupinus*
 Native/Recorded 3/16/24
 Location: Wolf House trail,
 Mays Clearing, Old Fallen
 Bridge Trail **Finished**

Name: Lupine
Lupinus
 Family: Fabaceae
 Genus: *Lupinus*
 Native/Recorded 3/16/24
 Location: Lake/Mountain Trail
Finished

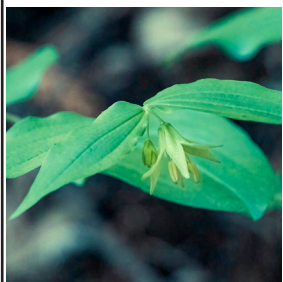

Name: Baby Blue Eyes
Nemophila menziesii
 Family: Hydrophyllaceae
 Genus: *Nemophila*
 Native/Recorded 3/18/24
 Location: Upper Fallen Bridge
Finished

Name: White Nemophila
Nemophila heterophylla
 Family: Boraginaceae
 Genus: *Nemophila*
 Native/Recorded 3/19/24
 Location: Wolf House trail and
 throughout the park

Name: (likely) Bowltube Iris
Iris macrosiphon
 Family: Iris
 Genus: Iridaceae
 Native/Recorded 3/21/24
 Location: Wolf House Trail
Finished
 Photo: Ciara Pegg

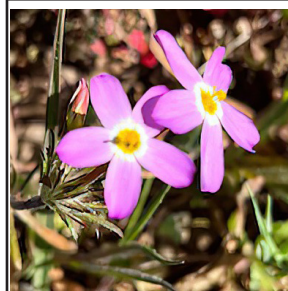

Name: Hooker's Fairbell
Prosartes hookeri
 Family: Liliaceae
 Genus: *Prosartes*
 Native/Recorded 3/24/24
 Location: Mountain trail

Name: California Poppy
Eschscholzia californica
 Family: Papaveraceae
 Genus: *Eschscholzia*
 Native/Recorded 3/24/24
 Location: Orchard area

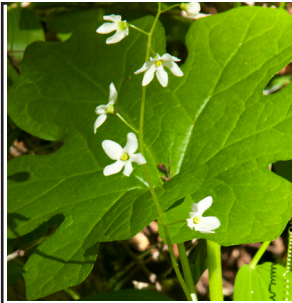

Name: Hillside Woodland Star
Lithophragma heterophyllum
 Family: Saxifragaceae
 Genus: *Lithophragma*
 Native/Recorded 3/24/24
 Location: Mountain Trail

Name: True Baby Stars
Leptosiphon bicolor
 Family: Polemoniaceae
 Genus: *Leptosiphon*
 Native/Recorded 3/24/24
 Location: Sonoma Ridge Trail
 Photo: Nancy MacDonald

NOTE: Images are sorted by the first dated recorded.

Name: California Manroot
 Marah fabacea
 Family: Cucurbitaceae
 Genus: Marah
 Native/Recorded 3/12/24
 Location: Wolf House service road, Sonoma Ridge Trail

Name: Blue Eyed Grass
 Sisyrinchium bellum
 Family: Iridaceae
 Genus: Sisyrinchium
 Native/Recorded 4/1/24
 Location: Hayfields Trail and throughout park

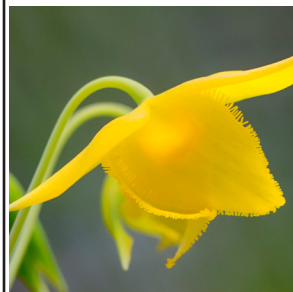

Name: Bird's Eye Gilia
 Gilia tricolor
 Family: Polemoniaceae
 Genus: Gilia
 Native/Recorded 4/1/24
 Location: Hayfields Trail

Name: Mules Ears
 Family: Asteraceae
 Genus: Wyethia
 Native/Recorded 4/9/24
 Location: Mays Clearing, Wolf House Trail

Name: Chinese Houses
 Collinsia heterophylla
 Family: Plantaginaceae
 Genus: Collinsia
 Native/Recorded 4/9/24
 Location: Wolf House Trail, Fern Lake Trail

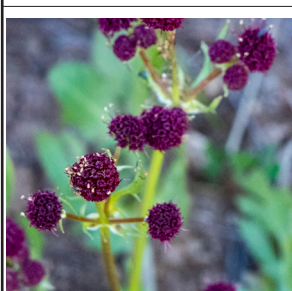

Name: Diogenes Lantern
 Calochortus amabilis
 Family: Liliaceae
 Genus: Calochortus
 Native/Recorded 4/9/24
 Location: Wolf House Trail, Orchard

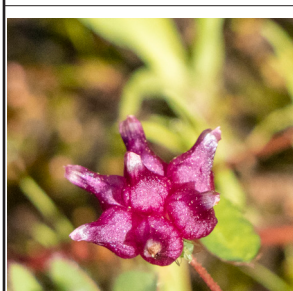

Name: California Saxifrage
 Micranthes californica
 Family: Saxifragaceae
 Genus: Micranthes
 Native/Recorded 4/10/24
 Location: Sonoma Ridge Trail

Name: Sun Cup
 Taraxia ovata
 Family: Onagraceae
 Genus: Taraxia
 Native/Recorded 4/14/24
 Location: Mays Clearing, Wolf House Trail

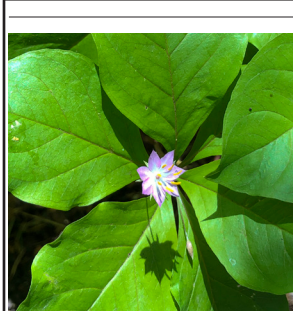

Name: Purple Sanicle
 Sanicula bipinnatifida
 Family: Apiaceae
 Genus: Sanicula
 Native/Recorded 4/14/24
 Location: Wolf House trail

Name: Cowbag Clover
 Trifolium depauperatum
 Family: Fabaceae
 Genus: Trifolium
 Native/Recorded 4/14/24
 Location: Wolf House trail

Name: California Helianthella
 Helianthella californica
 Family: Asteraceae
 Genus: Helianthella
 Native/Recorded 4/18/24
 Location: Wolf House trail, gravesite area

Name: Pacific starflower
 Lysimachia latifolia
 Family: Myrsinaceae
 Genus: Lysimachia
 Native/Recorded 4/25/24
 Location: Lake Trail, Upper Fallen Bridge Trail

NOTE: Images are sorted by the first dated recorded.

Name: Woodland Madia
Anisocarpus madioides
Family: Asteraceae
Genus: Anisocarpus
Native/Recorded 4/25/24
Location: New Fallen Bridge

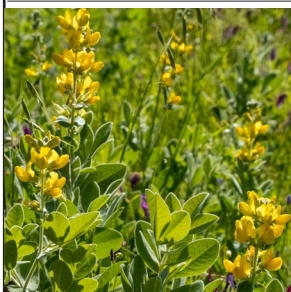

Name: Mules Ears
Family: Asteraceae
Genus: Wyethia
Native/Recorded 4/25/24
Location: Orchard area

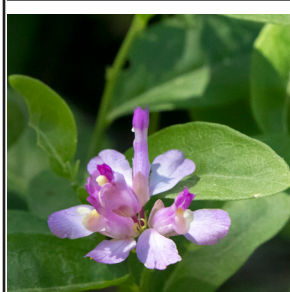

Name: Western Thimbleberry
Rubus parviflorus
Family: Rosaceae
Genus: Rubus
Native/Recorded 5/2/24
Location: New Fallen Bridge, Trap trail

Name: Pink Honeysuckle
Lonicera hispidula
Family: Caprifoliaceae
Genus: Lonicera
Native/Recorded 5/2/24
Location: Throughout park

Name: California goldenbanner
Thermopsis californica
Family: Fabaceae
Genus: Thermopsis
Native/Recorded 5/2/24
Location: Mays Clearing

Name: California Milkwort
Polygala californica
Family: Polygalaceae
Genus: Polygala
Native/Recorded 5/2/24
Location: Throughout park

Name: Common yarrow
Achillea millefolium
Family: Asteraceae
Genus: Achillea
Native/Recorded 5/2/24
Location: Mays Clearing

Name: Phacelia
Phacelia
Family: Boraginaceae
Genus: Phacelia
Native/Recorded 5/2/24
Location: Behind Camp Via

Name: Red Ribbons
Clarkia concinna
Family: Onagraceae
Genus: Clarkia
Native/Recorded 5/9/24
Location: Orchard Road within the park

Name: Soap Plant
Chlorogalum pomeridianum
Family: Agavaceae
Genus: Chlorogalum
Native/Recorded 5/9/24
Location: Throughout park

Name: California buckeye
Aesculus californica
Family: Sapindaceae
Genus: Aesculus
Native/Recorded 5/9/24
Location: Throughout park

Name: Crimson columbine
Aquilegia formosa
Family: Ranunculaceae
Genus: Aquilegia
Native/Recorded 5/16/24
Location: Quarry Trail
Photographer: Kathy Hillback-Ely

NOTE: Images are sorted by the first dated recorded.

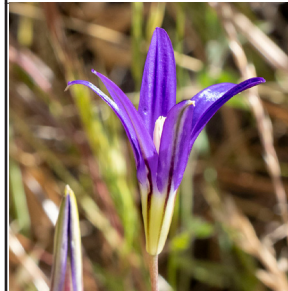

Name: Fringed checkerbloom
Sidalcea diploscypha
Family: Malvaceae
Genus: *Sidalcea*
Native/Recorded 5/16/24
Location: Wolf House trail

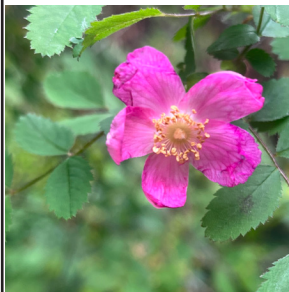

Name: Winecup Clarkia
Clarkia purpurea
Family: Onagraceae
Genus: *Clarkia*
Native/Recorded 5/16/24
Location: Wolf House Trail

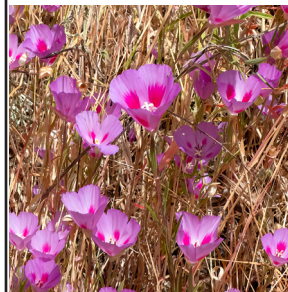

Name: Ithuriel's Spear
Triteleia laxa
Family: Themidaceae
Genus: *Triteleia*
Native/Recorded 5/24/24
Location: Wolf House Trail,
Throughout park

Name: Harvest brodiaea
Brodiaea elegans
Family: Themidaceae
Genus: *Brodiaea*
Native/Recorded 5/24/24
Location: Wolf House trail and
May's Clearing

Name: California Wild Rose
Rosa californica
Family: Rosaceae
Genus: *Rosa*
Native/Recorded 5/24/24
Location: Throughout park
Photographer: Elisa Stancil

Name: Farewell to Spring
Clarkia amoena
Family: Onagraceae
Genus: *Clarkia*
Native/Recorded 5/24/24
Location: Wolf House Trail and
Orchard area

NOTE: Images are sorted by the first dated recorded.
